

Dementia Matters Round-up

“ In it together...”

... Friendship, support &
advice despite isolation!

Issue 8 - June 2020

Helping you to adjust to changes

“Dementia Matters in Powys is for all those living with dementia and their families or carers. During this time of increased isolation we are here for you and will provide a listening ear, cheerful (even humorous) conversation and practical information and support. Any change can be challenging - even more so when you are already adjusting to the changes which accompany dementia and memory loss. Part of our ongoing support for you will be this regular ‘Round-up’ alongside phone-calls, emails and video chats”
